August, 2017

Residential Letter

The 14th Annual Malcolm Car Show will be held on August 20, 2017 in the park. Family fun day – show starts at Noon, with around 225 cars, trucks, motorcycles, tractors....; concession stand starts at 11:00 a.m. and goes till 2:00 p.m.; raffle prizes; food drive for Matt Talbot Kitchen, chance to win a TV with every can of food you donate; raffle for an electric Smoker and much more!!

In November, 2016 you received a residential letter with a new code clarifying the use of **golf carts, UTV's and ATV's** within the Village limits. Apparently some of you did not get a chance to read the code, because there are still children that we are sure do NOT have a valid class O operator's license or a farm permit to be able to operate one. The Village Board and Village Clerk get several phone calls regarding this matter. You are leaving us with no choice but to tell the callers to notify the Lancaster County Sheriff's Office.

Mowing: While mowing, if you could NOT allow the grass clippings to go into the street/road. There are a lot of weeds coming through the cracks on the streets. A lot of towns, villages, cities fine people that allow there clippings to go into the streets/roads, please don't force Malcolm to become one of those places.

We would much rather have the residential letters be uplifting and rewarding, however, the Board and clerk get so many calls regarding;

- Barking dogs
- Dogs leaving deposits in other residents yards and do not clean up after them
- Neighbors yards not being taken care of
- Golf carts/ATV's/UTV's
- Cars, trucks, boats, campers, jet ski's..... being parked in their yards
- Vehicles possibly not licensed and/or parked and moved properly
- Trees/shrubs hanging over the sidewalks, streets
- Parking over the curb, with the possibility of ruining the curb – then who pays for that??

All of these items are in the residential letters, besides sending letters, fining your neighbors; how else can the Board get the point across to everyone!!

Please bring your suggestions to the next Board meeting on September 6, 2017.

Thank you,

Malcolm Village Board
